

I Am

Charis McDaniel | Brandon McDaniel

How can you be high and lifted up
Yet still be God with us?
How can you create a vast expanse
Yet still know every sparrow?

How can you be Lord of the armies
Yet still be peace in the storm?
How is it You're both fire and water,
Both Lion and the lamb?

CHORUS

It's because You are I Am
The wholeness of all things
You are alpha and omega
Beginning and the End
You are I Am

How can you be the King of Kings
Yet want to talk with me?
How can you be wholly God yet man
Three persons but in One?

Bridge

And I am on my knees
In awe of all You are
And I am on my knees
Not because I understand
But because You are I Am
