

It's So Good To See You

Michael A. Morales | Brandon McDaniel | Charis McDaniel

Everything is irrelevant when Your hand is in mine

There is nothing that compares to Your embrace

I want to stay in this moment, just delighting in Your love

I'm still staggered that I see You face to face

CHORUS

It's so good to see you

It's so good to hear you

It's so good to lay my cares down at your feet

It's so good to know you

It's so good to love you

It's so good to know that you're right here with me

It's so good to see you

It's so good to see you

Everything is irrelevant in the light of Your love

I want to live every moment in this place

I have never been left wanting in the shadow of Your wing

I'm astounded by Your glory and Your grace *(to CHORUS)*

BRIDGE

In Your presence is where I am confident

In my weakness is where You are strong

I will rest in Your majesty all of my days

Where You are is where I belong *(REPEAT)*

TAG

Just to know your goodness gives me hope

And to know your kindness makes me whole

To enjoy your presence is all I need

The one who made the heavens lives in me
