

TO JUST BEHOLD YOU

Elisa Morales | Michael A. Morales

I know it's not much
But it's all I have
So take my life
Have my heart
I surrender it all
To the one who satisfies
Captivate my soul
Make me Yours

PRE-CHORUS

I ache for You
I'm desperately in love
I live to pursue
The one who purifies

CHORUS

Take away the distractions
I just want to sit here at your feet
Wonder at Your essence
Just one glimpse is a privilege

BRIDGE

Oh what a privilege
To just behold You (Repeat)
